CZ - Před jakýmkoliv zásahem do svítidla nebo prováděním údržby a servisu je nutno svítidlo odpojit od elektrické sítě.  
EN - A luminaire must be disconnected from the mains before any interference with a luminaire, service or maintenance.  
DE - Vor einem beliebigen Eingriff in die Leuchte, bzw. vor der Instandhaltung und dem Service ist die Leuchte von dem Stromnetz zu trennen.
